Veterans Memorial Park Hydrologic Reconnection and Habitat Restoration

West Michigan Shoreline Regional Development Commission (WMSRDC)
316 Morris Avenue, Suite 340
Muskegon, MI 49440

Attn: Veterans Memorial Park Hydrologic Reconnection and Habitat Restoration Bid

Closing Date: 5/22/2017

Sealed bids for the Veterans Memorial Park Hydrologic Reconnection and Habitat Restoration Project will be accepted by WMSRDC until 1:00 P.M. on Monday, May 22, 2017, with a public bid opening to be held immediately thereafter at the office address listed above.

Approximate project scope will entail:

- Dewatering approximately 8.5 acres of constructed pond at Veterans Memorial Park
- Constructing temporary access roads and staging areas as necessary
- Temporarily removing pedestrian bridge to facilitate construction
- Modifying existing outfall structure to provide continuous hydrologic connection between the south pond and the Muskegon River
- Excavating, removing, and disposing of approximately 21,645 cubic yards of muck and sand soils from the two ponds at a Type II landfill
- Installing 1,456 tons of stone and 6 wood habitat structures in the ponds
- Placing approximately 3,581 tons of stone to stabilize the post-excitation soils
- Placing approximately 1,890 linear feet of lunger structures for fish habitat
- Placing approximately 4,402 square yards of vegetated coir pillows
- Installing associated erosion control blankets, silt fence, and turbidity curtain within project area
- Installing native seed and 49,049 native plant plugs and shrubs (please note that all plant material has been contract grown and will be provided to the successful bidder)

Contract documents will be available for review at 4:00 P.M. on Friday, April 28, 2017. Documents will be available electronically from an FTP site or via email at no cost.

To arrange for documents and to register as a Bidder, contact:
