Muskegon Heights Parks & Recreation Plan Update

The City of Muskegon Heights is updating its Parks & Recreation Master Plan with assistance from the West Michigan Shoreline Regional Development Commission (WMSRDC). A community recreation plan is required for communities to access recreation grants from the State of Michigan and must be updated every five years.

The current Muskegon Heights Parks & Recreation Plan was completed in 2022 in coordination with the “Reaching New Muskegon Heights” visioning process. Go to <https://www.reachingnewmuskegonheights.org/> to learn more about this ongoing effort which is supported by the Community Foundation for Muskegon County and Greater Muskegon Economic Development. Information and public opinions gathered during this Recreation Plan update will help to inform future updates to the vision.
