WestPlan MPO Safety Update

1st Quarter FY 2026

As part of the Progress and Transparency requirement of the MPO's SS4A Traffic Safety Plan, this report serves as a summary of Traffic Safety activities within the WestPlan MPO, not necessarily MPO staff activities.

October 2025

- Forwarded information from the Michigan Infrastructure office regarding technical assistance and match opportunities for the Tribal Transportation Program Safety Fund and Consolidated Rail Infrastructure and Safety Improvement program.
- MPO staff began development of the Missed Incident Safety Survey (Near-MISS).

November 2025

- Muskegon County Road Commission received a Safety Award Letter from MDOT regarding the construction of a roundabout at Sternberg and Airline Rd.
- MPO staff presented the Near-MISS tool to the Lakeshore Traffic Safety Network on November 19, 2025.
- MDOT completed the M-45 Road Safety Audit in Ottawa County.

December 2025

- WestPlan MPO received the most current Public Agency Transit Safety Plan from MATS
- Muskegon County Road Commission received confirmation of receipt of SS4A implementation funding of $4,755,200.00 for the construction of a roundabout at Sternberg and Airline Rd. In addition, they received $11,200.00 for Supplemental Planning. The WestPlan MPO staff will use the supplemental planning funds to update the approved SS4A plan.
