ADVERTISEMENT FOR BIDS**

General Notice

The West Michigan Shoreline Regional Development Commission (WMSRDC; Owner) is requesting Bids for the construction of the following Project:

West Michigan Shoreline Development Commission
Amoco Fish and Wildlife Habitat Restoration Project

Bids for the construction of the Project will be received at the West Michigan Shoreline Development Commission offices located at **316 Morris Avenue, Suite 340, Muskegon, MI 49440, until Thursday, March 12, 2020 at 1:00 p.m. local time.** At 1:30 p.m. local time on Thursday March 12, 2020, the Bids received will be publicly opened and read.

The Project includes the following Work:

The activities include habitat restoration in the nearshore lake bottom, the restoration and connection of the existing disconnected coastal wetland by removal of a concrete wall, limited contaminated soil (if encountered) and unnatural fill removal in the coastal wetland area with relocation of the existing bike path, and placement of appropriate plantings to provide a resilient shoreline and fish and wildlife habitat. The project also includes open water debris (e.g., tires and former outfall pipe) removal and the placement of fish habitat features that are also intended to provide wave attenuation (i.e., sunken habitat logs, spawning beds and a segmented shoal system).

Bids are requested for the following Contract:

Construction Services for the Amoco Fish and Wildlife Habitat Project/Contract #7550
